[] The Magistrate hereby **GRANTS** a Civil Standby condition to:

Defendant may go to the address listed below on one (1) occasion within twenty-four (24) hours of release from jail to obtain personal articles of immediate necessity while accompanied by a Peace Officer on civil standby, if available/approved by the agency. Failure to be accompanied by a Peace Officer will be a violation of this Order.

Address: _____

ENTERED _____.

(judge seal)

Magistrate, Municipal Court
City of Richardson, Dallas County, Texas

If **approved**, what does this mean?

- The judge **is allowing defendant** to return to the listed residence **one time only**.
- This visit must happen **within 24 hours after being released from jail**.
- The purpose of the visit is **only to pick up essential personal items** (think clothes, medications, toiletries - *not* furniture or anything extra).
- The defendant **must be accompanied by a peace officer** (this is called a **civil standby**).
- The officer has to be **available and approved by the law enforcement agency** - so it's not guaranteed unless arranged.
- **If the defendant goes without an officer, it is a violation of the court order.**

Bottom line:

- One short, supervised stop, within 24 hours, essentials only, **law enforcement present or don't go at all**.
